Sunday, 4th August 2024

Pretty much perfect weather greeted a good field of around 50 golfers for the 42nd annual Gregg's electrical golf day. For those unaware the Greggs day is a charity day where money is raised to go back into the local community.

Community groups are invited to apply for some of the funds raised on the day to help them with whatever they may be looking for money for. This years lucky recipients were the Blackburn park committee, they received a vacuum cleaner for the JK Monaghan pavilion. Mallee tree playgroup, they received funds to go towards play equipment, and the men's shed, who also received funds to go towards equipment to go into a recreation room at the mens shed.

Out on the golf course there were some ripper scores in the 4bbb stableford format. Winners in the men's were the pair of Simon Innes and Michael Pole with a score of 50. This win means they get their names on the Rohan Gregg memorial trophy. Runners up were the pair of Tim and Liam Vine with a score of 48. Third placed were the pair of Brent Grayling and Paul Dean with 47. The NAGA winners were the pair of Peter Dooley and Keith Williams with a score of 30.

A huge Thankyou to everyone who helped make the day happen. The Anglers club for cooking the barby, Daniel Kay for driving the drink cart, anyone who helped out with food preparation, and lastly but not least to Greggs electrical, and the Greggs family for the power of work they put in to make this event the special event that it is.

This week all roads lead to Patchewollock for their tournament. Friday is a 4bbb and singles competition, Sunday is an Ambrose competition. Then the following weekend after that is Hopetoun tournament weekend.
