### Tournament 4BBB & Stroke

Friday, 5<sup>th</sup> July 2024

A perfect day of weather greeted a terrific field of 42 golfers for today's day 1 of our tournament. The format was 4bbb and a singles competition.

It was tight at the top of the leaderboard with 3 pairs finishing with 45 points. Nick Vine and Brad Parsons got the win on countback with their score of 45, runners up were Lynne Roger's and Jan Morrish also with a score of 45, and third were Kevin Jones and Gil Grace who also scored 45. The unfortunate NAGA winners (and they won it quite comfortably too) were Nathan Grayling and Jack Dean with a score of 22.

In the single stroke competition Peter Hallam won with a very nice score of 82, runners up on countback was Don Hahnel who also shot an 82.

In the handicapped event Kevin Jones got the win with a net score of 68, Lynne Rogers was runners up on countback with a score of 69 ahead of Paul Dean who also finished with 69.

Nearest the pins on the par 3s were hard to come by with no one landing one on the sand on any of the par 3 holes. Tim Ferguson had a nearest the pin after 2 shots on 15th. Tom Huf had the longest drive for the mens on 9, and Lynne Roger's had the longest drive for the ladies on 9.

Many thanks to everyone who helped out not only today, but also for the last few days getting things organised for the weekend.

We will do it all again on Sunday for the Ambrose competition. Assembly is 10.30 for a 11am start.
