

Ouyen Golf Club

McGregor / O'Callaghan

Sunday, 9th June 2024

Overcast but pretty good conditions greeted golfers for the combined 27 hole competitions the McGregor/O'Callaghan 4bbb par and stroke events. A field of just on 8 pairs took on the 27 hole challenge. Some good scores were shot on the course which is slowly greening up.

In the O'Callaghan stroke event it was the pair of Tom Grigg and Jack Cook who came home winners with a nice score of 114. Runners up were the pair of Scott and Peter Brady with 118.

In the McGregor par handicap event it was the pair of Dallas Plant and Paul Dean who claimed the win with +14. Runners up were Scott and Peter Brady with +13.

There were 3 nearest the pins, Scott Brady on 2, Tom Grigg on 5 and Nick Vine on 14. All 3 made their birdie putts.

We also kept our stableford scores on the second 18 we played, and special mention must go to Nick Vine who shot the lights out on that 18 with a score of 44. This will no doubt catch the attention of the handicapper, and perfect timing for the club championships which begin this Sunday. Vinny, what were you thinking??

So this Sunday is the first round of the club championships, I think everyone is looking forward to seeing how the A grade comp pans out, Scott Brady is reigning champion, and has won a few over the last few years, and some of those with not much competition, but this year he will have his hands full with Tom Grigg. Tom certainly has the game to win, so we will see what happens there.

Of course there are B and C grade competitions as well as the JK Monaghan handicap event. As well as that there will be stroke competitions on each day of the club championships.

Assembly this Sunday is 11.30 for a midday start.
