

Ouyen Golf Club

Golden Putter Classic

Sponsored by Karingal Contracting

Sunday, 19th May 2024

An absolutely perfect day greeted golfers for the Karingal contracting sponsored golden putter par competition. The day was so perfect there was barely a ripple on the lake beside the course all day, so there certainly was no excuse for ordinary golf.

Eighteen players made up a field of nine pairs and some reasonable scores were shot on the dry and fast course. There were many highlights and great shots throughout the day but without doubt the shot of the day went to Tom Grigg who had a hole in one on the 2nd, this broke a drought of 6 years since the last hole in one at the golf club.

The good day didn't stop with the hole in one for Tom with him and Trent Crook winning the competition with a nice score of +10. So they took home a golden putter each and will have their name up in gold on the golden putter honour board. Runners up were the pair of Paul Dean and Dallas Plant with +8.

The day wasn't so good for the pair of Bailey Harker and Nick Vine who took home the NAGA with a score of -1.

There were 2 nearest the pins, obviously one with Tom Grigg on the 2nd (ace) apparently he was also close the other time he played the 2nd to, and Trent Crook also had a nearest the pin on the 5th.

Many thanks to Brent and Melissa Morrish for their long and ongoing sponsorship for this event, Reg Dean for cooking the barby for us at the Taj Mahul and Bev Manly for the delicious sandwiches afterwards.

This week it is the Kaa Kee Cup, this is a 3 person Ambrose beginning with a 11.30 assembly for a midday start. So round up a team, or get yourself in one for a great day of golf.
